

TRANMERE ROVERS FOOTBALL CLUB

Tranmere Rovers ISA (International Soccer Academy) Testimonial for Better Presented

The international arm of Tranmere Rovers provides educational & player development programmes to schools, colleges and football clubs in the US, Australia & Asia.

For our communications strategy in Hong Kong, Better Presented supported us with:

- Content in written and video formats, including professional translations
- Local point of contact enquiry handling
- An introduction to a prospective Club partner

Roger and his team integrated with our management seamlessly, rapidly understanding our objective and Club ethos.

Better Presented provide a lean and transparent service, one that we will commission again without hesitation.
